

**'PLAYING YOUR PART—  
OR PART PLAYING?**

**SATURDAY 10 OCTOBER**

**KING JAMES' SCHOOL**

**KNARESBOROUGH 10.00 - 4.00**

**We are all children of God. As such we should ask ourselves how obedient are we to God's call to be his child? Here is an opportunity for you to ask ...Why am I here? ... What does God want me to do? .... What does it mean for me in my everyday life and in my life as a church member?**

A chance to work with Bishop John, Judy Hirst, others from across our Diocese.

There is no charge for this day—The Inglefield Fund covers the costs. You do though need to bring a packed lunch. Event material and directions etc will be sent to all signed up.

**PLACES ARE LIMITED.**

A children's playground ... The swings—the ups and downs of life ... The seesaw—getting the right balance in our lives .... The climbing frame—using God given skills ... The round-about—jumping off so as to look at life in the full..... The bench—who sits and supports us?
