does it work? could it work for you?**

An opportunity to see and learn how a parish might tackle the joys and challenges of working together in a collaborative way. Yes it can be messy, but it is one with potential for great returns! Come and observe the All Hallows community working with David Robertson and then join in and explore your own situation.

Leaders are....

Revd David Robertson
Liz Williams and members of
All Hallows Church

There is no charge—for this
Diocesan *Trackways* event.

- Aims:**
- To help parish groups identify how collaborative working can become part of their ministry practice
 - To encourage parishes to feel led by the Spirit into a full 'hospitality of the heart' and so to work more closely
 - To support each other in ways of building community and discipleship.
