Domestic Abuse
...... How should we respond?

Wednesday 23rd Sept	19.00 - 21.30	- Venerable Bede, Wyther, Leeds.
Wednesday 21st Oct	19.00 - 21.30	- Holy Trinity Church, Ripon.
Saturday 7th Nov	10.00 - 12.30	- Crakehall Village Hall, N Yorkshire.

There are many common myths that surround domestic abuse and much anxiety amongst those ordained and lay ministers who encounter it. This is a chance for all who minister to seek to be more effective in their response to, and more engaged in their dealing with domestic abuse amongst those they minister to.

Aims:
To be alert to the myths and stereotypes that abound about domestic abuse.
To grow in understanding of the nature and prevalence of domestic abuse.
To develop a keener, more responsive and more aware expression of ministry in such circumstances.

Leaders are:
Sue Booth and
Mark Lowton
