

THE PEACHE TRUST

DIOCESE OF
RIPON AND LEEDS

**VICAR of ST. MARK'S
HARROGATE**

Could you help us unlock our potential for spiritual and numerical growth and explore fresh approaches to outreach in our community?

St. Mark's is a lively evangelical church (ASA 398 adults, 144 children over 5 services) with a strong tradition of ministry to families and young people. We enjoy a church building extensively re-ordered in 1997 to provide a welcoming setting for worship and community activities. We are set on the South side of this thriving town, close to the Yorkshire Dales, with excellent schools and other facilities.

We are seeking a Vicar who:

- has a passion for sharing the Gospel and teaching the scriptures, connecting with the issues of life in the 21st century
- is committed to corporate prayer
- has good communication and listening skills and a pastoral heart
- is able to train and develop leaders
- appreciates a rich variety of worship styles
- enjoys working as part of a team with lay and ordained colleagues
