

A FRESH EXPRESSION IS A FORM OF CHURCH FOR OUR CHANGING CULTURE ESTABLISHED PRIMARILY FOR THE BENEFIT OF PEOPLE WHO ARE NOT YET MEMBERS OF ANY CHURCH

In times of major challenge for the Church, Christians are developing fresh expressions of church alongside traditional congregations. There are many signs of hope and new life.

You are warmly invited to be part of this Vision Day with others from your church and discover more of what is happening.

- ÿ Dream dreams
- ÿ Share your story
- ÿ Ask questions
- ÿ Think about what it is to be church
- ÿ Find out about fresh expressions
- ÿ Discover resources
- ÿ Build networks and relationships

The programme will include:

An overview of developing fresh expressions within a mixed economy church.

Worship, prayer and reflection in a variety of styles.

Stories of fresh expressions of church in your area.

Workshops in particular areas of interest.

Advice on how to get started and where to get help.

The day will be a fresh expression experience in itself and is for:

- ÿ Complete beginners
- ÿ Those who have real questions about fresh expressions and mission shaped church
- ÿ Those who have started something new and need some practical help
- ÿ Christians from any church and every tradition

You are welcome to come on your own but we particularly welcome small groups from different churches.

Workshops will include cell church; café worship; and introduction to the Mission Shaped Intro Course; as well as local examples of Fresh Expressions.
